Garden Gate Spa Presents Check to Valencia County Breastfeeding Taskforce

Los Lunas, NM -- The Garden Gate Day Spa and Salon presented the Valencia County Breastfeeding Task Force with a check in the amount of \$1,000.00 earlier this month. The donation represents a percentage of sales from treatments at the spa during August 2007 in conjunction with World Breastfeeding Week.

This is the second year of collaboration for Valencia County Breastfeeding Task Force, the leading task force in the State, and Garden Gate Day Spa and Salon, Valencia County's only full service spa on the campus of the Center for Ageless Living.

"This check is a demonstration of the Center's commitment to the community. Our goal at The Center for Ageless Living is to embrace life and we hope to continue to align with causes that demonstrate that as we continue to expand," commented Suzette Lindemuth, Director.

Deborah Boyles, Valencia county Breastfeeding Task Force Chairwoman said "We are appreciative of the donation from the Garden Gate Day Spa! We also appreciate Garden Gate Day Spa allowing the VCBFTF to hold our monthly meetings at their facility! We are looking forward to working with the Garden Gate Day Spa to hold a great World Breastfeeding Week Event on August 1st (Friday) from 4:00pm to 6:00pm. The theme of this year's event is "Mother support: Going for the Gold."

The Center continues to work with the Breastfeeding Taskforce, expanding in 2008 to include a new "baby holding" opportunity; seniors from Senior Living Systems on the campus will hold babies for taskforce participants, thus helping to further reduce the isolation of aging. In addition, promotions involving the Garden Gate's signature Pregnancy Massage, one of five signature treatments at the Spa and Day Salon and a portion of all proceeds collected at the Spa in August 2008 will be donated to Valencia County Breastfeeding Taskforce.

The Center for Ageless Living is a unique facility that embraces and supports aging with a variety of programs and services that include family and community involvement. The five elements of The Center – Senior Living Systems, Personal Living Systems, the Garden Gate Day Spa and Salon, Green House Rotisserie and Community Park Programs – are located just north of South El Cerro Loop in Los Lunas.
